

I've now seen six of the ten nominated pictures since we watched *A Serious Man* tonight. I liked it. I don't think it's one of the brother's best, but much better than *Burn After Reading* that movie I really hated.

Left to see -- *The Blind Side*, *Inglorious Bastards*, *Precious*, and *The Hurt Locker*. I might not get all ten viewed before the ceremony. And yes, I'll watch the telecast. I'm a sucker for the glitz, and I can dream that someday I'll get to attend. Maybe even as a nominee. :)
